Worksheet "Travelling" (the 9<sup>th</sup> grade)

**Task 1:** Look at the titles. What do you think these types of holidays are about? Match the title with the text.

A – Camping

B - Bag Packing

C - Beach Holiday

D - Sightseeing Tour

**TEXT 1:** It is a journey focused on visiting famous landmarks, museums, and historical places. It is usually organized in cities like London, Paris, or Rome. Tourists travel by bus or on foot, following a guide who tells them stories about the past. This type of holiday is perfect for those who love history, art, and architecture. You take a lot of photos and learn new things every minute. However, it can be tiring because you walk a lot and have a strict schedule.

**TEXT 2:** It is a low-cost, independent way of travelling. You carry all your belongings in a backpack, stay in hostels or cheap hotels, and use public transport. People often travel to several cities or even countries in one trip. They like freedom and adventure. The main idea is not luxury but experience — meeting new people, trying local food, and discovering hidden places. It's great for young people who are not afraid of difficulties and want to test themselves.

**TEXT 3:** It means spending your holiday in a tent or a caravan in the countryside, near a lake or in the mountains. You sleep in a sleeping bag, cook on a campfire, and breathe fresh air. It is a perfect way to escape the noisy city and be close to nature. People who choose this way of travel enjoy hiking, fishing, or just relaxing in a quiet place. But you need to be prepared for bad weather and insects!

**TEXT 4:** It is all about relaxation. People go to the seaside to sunbathe, swim in the ocean, and read books under an umbrella. It usually takes place in resorts with sandy beaches and warm climate, like Turkey, Egypt, or Spain. You don't need to walk much; your main task is to relax and recharge your batteries. This type of holiday is good for families with children or anyone who is tired after a year of hard work.
